## Snacks with benefits

### Who We Are:

Ellyt is the brand, created to reflect who we are today – a founder-led, transparent food brand built on direct farm partnerships and clean ingredients. Since 2013, we are expanding internationally and growing beyond snacks into a wider range of fruit-based and functional food products.

### What We Do:

We collaborate with local farmers and food scientists to create high-quality, organic snacks.

### Achievements:

Recognized as one of Vietnam's top 10 dried fruit exporters in 2023.  
Awarded in 2024 for sustainability by EAS and KredEx Design Masterclass.

### Our Products:

Certified organic in Europe.  
Made using techniques that preserve vitamins, flavor, and texture.  
A wide range of snacks tailored to customer needs.

### Where to Find Us:

Currently available primarily in Scandinavian retail chains and Germany, with presence across other European markets and market entry underway in Japan, Dubai, and the United States.

Certificates: Sustainability, SMETA audit, ISO 22000, HACCP Codex Alimentarius, Global Standard Food Safety, ESG, 2018 Kosher Certification (KASHRUTH CERTIFICATION) Organic EU
